

## PWSB collects needed items for Interfaith Caregivers

Submitted photo

Port Washington State Bank held a personal-item collection on behalf of Interfaith Caregivers, which serves seniors throughout Ozaukee County. The items were donated at the bank's seven branches and will be included in Interfaith's annual holiday gift bag distribution. More than 100 bags will be delivered Friday and Saturday by the Grafton Lions and Leos to seniors in Ozaukee County who are Interfaith Ozaukee clients. This is the second year Port Washington State Bank organized a collection drive among its employees and customers.
